PRIMARY DANCE CATEGORIES

JAZZ

A jazz routine incorporates stylized dance movements and combinations, formation changes, group work, leaps and turns. Emphasis is placed on proper technical execution, extension, control, body placement and team uniformity.

POM

Poms must be used 80% of the routine. Important characteristics of a pom routine include strong pom technique: clean/precise and sharp motions, synchronization and visual effect, and may incorporate tricks (i.e. leaps/turns, pom passes, jump sequences, kick lines etc). Visual effect includes level changes, group work, formation changes, the use of different color poms, etc.

HIP HOP

Routines can incorporate street style movements with an emphasis on execution, style, creativity, body isolations and control, rhythm, uniformity and musical interpretation.

VARIETY

Routine must incorporate a blend of at least two or more dance styles listed in the USASF Categories. (Jazz, Pom, Hip Hop, Contemporary/Lyrical and/or Kick) All styles will compete together in this category. The style of dance performed will determine which "category" rules a team will follow in the appropriate age division.

See **USASF.net** for further information on divisions, ages, rules and regulations
